8. Once the installation is complete, click "Close" to exit the DPC-10 software installation program.

Connecting the DPC-10

⚠ **WARNING – It is imperative that you use a USB 2.0 compliant cable to connect your DPC-10 to your computer. Non-compliant cables will cause erratic operation or may not work at all.**

1. Plug the USB cable into your computer and the DPC-10. Windows will automatically locate and install the correct driver.

2. Once installed, launch the DPC-10 Software from the icon on your desktop.

3. To use the DPC-10 software, refer to the DPC-10 Software Manual in the directory where you extracted the downloaded file.

Help is available from the Hitec office through phone support and e-mail. Our US office is generally open Monday thru Friday, 8:00AM to 4:30PM PST.
