

PRESS RELEASE

Introducing Hitec's Universal Balancing Board

Stock# 44178 | Estimated Street Price: \$15.99

Our universal balancing adapter works with all Hitec X and H series of chargers and includes EH, TP, XH and HP balancing ports. It allows you to balance all major brands of Lithium chemistry batteries while charging, with no need for additional adapters. And unlike other adapters that use a piece of foam, Hitec's Universal Balancing Board features a custom hard plastic case.

Features:

- * Works with all Hitec X and H Series of Chargers
- * For Use with all Major Brands of Lithium Chemistry Batteries
- * Compatible with 2S - 6S packs
- * Hard Plastic Bottom Case (most others use a piece of foam)
