## Introducing the ePowerBox 30 30-Amp AC Power Supply

Get empowered with the ePowerBox 30! Designed to provide your Hitec H4, X4, X4 Eighty or any other DC charger with the right amount of juice, our affordable power supply is sure to become a staple in your RC workshop. With an input voltage range from 100VAC to 240VAC and an adjustable output of 12-18 VDC, providing up to 30 amps of current, the ePowerBox 30 is ideal for all modelers, whether you take to the air or take to the road! Its dual 4mm output jacks and a backlit LCD screen that displays both voltage and amperage output give this power supply amazing curb appeal!
